January 8, 2021

Parents,

I hope you have had a great start to 2021. Despite the difficulties presented by Covid-19, we have come together as a community to overcome these challenges. Because of your diligence, we have been able to keep our students safe and minimize the impact of Covid-19. We are excited about the spring semester and moving toward an end to the pandemic.

Due to recent CDC guideline updates, the SMSD has adjusted our quarantine policy. Students will now be able to return to school after day ten of quarantine, provided they have no symptoms.

Please remember after stopping quarantine you should:

- Watch for symptoms until 14 days after exposure.
- If you have symptoms, immediately self-isolate and contact your child's school, local public health authority, or healthcare provider.
- Wear a mask, stay at least 6 feet from others, wash your hands, avoid crowds, and take other steps to prevent the spread of Covid-19.

Thank you for your help as we do all we can to navigate the challenges of Covid-19.

Chris D. Fleming
Superintendent
