

Mississippi is in the planning process for another **possible** round of P-EBT benefits for School Year 2021-22 and Summer 2022 **if authorized by the federal government.**

To be eligible to receive these benefits if they are issued, children must qualify for free or reduced priced lunch under the National School Lunch Program. **To prevent delays in receiving any possible new P-EBT benefits, please make sure that you have submitted an application for Free or Reduced Priced Lunch for each of your children by April 29, 2022.**

If you have already completed a meal application form for SY 2021-22 or received a letter stating your students are eligible for Free or Reduced meals for this school year, there is no need to submit another one. **Students in grades Kindergarten through 8th grade received a paper application or a letter to bring home on Monday, March 28th. If you didn't receive an application and need one, please go online to complete.** You only need to fill out one application per household. If you have not completed a paper or online form this school year, please go to the link below:
