

# Step-by-step Guide

to help SMSD students  
use Paper

**Student Login:** Students can log in through Clever: [www.clever.com/in/cleverSMSD](http://www.clever.com/in/cleverSMSD)

Once students have logged into Paper through Clever they have the option to either begin a live chat session with a Paper tutor or submit written work for review.

## → Start a live chat & ask a question

In the student dashboard, students can type a question into the chat box or select a subject to ask a more specific question. Either of these options will connect students with a tutor instantly.

## → Submit written work for review

Any written work such as essays, lab reports, or college applications can be reviewed by a Paper tutor who will return the written piece with feedback. Click on “Upload an essay” and follow the instructions to begin.

## → What happens during a live chat with a tutor?

Live chat tutoring sessions allow students to message 1-on-1 with a tutor. Students can share the question they need help with by typing the question out, uploading a screenshot or uploading files from their teachers. Tutors ask guiding questions to help students understand their homework, never giving away any answers.
