

Attention Parents

The nationwide waiver allowing all students to eat free school meals has expired. Students who do not qualify for Free or Reduced meals will have to pay full price in the school year of 2022-2023. SMSD wants to encourage all families to complete a meal benefit application. This application will be sent home on August 4, 2022 for you to complete and return as soon as possible. You may also choose to complete this application on line by going to www.MYschoolApps. Please complete **ONLY** one application per household.
